

WHO is the programme for ?

The 'School's out – Skills in' summer programme delivered at our Prince's Trust centre in Kennington aims to support identified year 11 students who are most at risk of becoming NEET due to withdrawal of educational support provisions over the summer and potentially not securing entry requirements needed to move onto further education courses or into apprenticeships.

AIMS:

Our experienced youth workers will support your young people to improve their **personal and social skills**, identify and build on their **strengths and interests** through relevant, engaging and informal opportunities and one to one support to re-engage them with a positive progression outcome for the new academic year 2019/20.

All participants will work towards *The Prince's Trust* 'Award in Personal Development and Employability Skills' Level 1 qualification.

DATES:

Programme dates: **30th July 2019 - 23rd August 2019**

Induction dates: 1:1 inductions are available until Thursday 18th July

COST:

The programme is **fully funded** subject to the completion of a Referral Form and successful inductions with Trust staff prior to start date.

WHAT WILL HAPPEN EACH WEEK?*

Week 1: Tues-Fri Adventurous Activity - challenging and fun activities to develop motivation, self-confidence and problem-solving.

Week 2: Thurs- Fri Enterprise week - group project to create and market a product.

Week 3: 1:1s with each young person between **Mon-Thurs** with **Celebration** event on **Friday**.

Week 4: Weds and Fri Employability and Opportunities days – to develop confidence in interview skills and investigate progression opportunities.

Week 5: Optional **college enrolment** support

Week 6: Optional **college enrolment** support
