FREE training session for parents and carers
How to support Speech, Language and Communication
development (SLCN) at home for parents/carers of
children in primary school

Time: 10am-1pm

Friday 18th January 2019

Venue to be confirmed on booking a place

What we hope you will learn:

- Learn about activities that can be carried out in daily life to develop speech, language and communication skills.
- Find ways to adapt familiar activities/games to match the age and stage of a child's development.

Recommended for

- Parents / carers of Primary School-aged children with speech, language or communication difficulties who live in Lambeth or Southwark

By the end of the course you will be able to:

- Identify situations in your daily routine when you can support and develop your child's speech, language and communication skills
- Explore how to play frequently used speech and language games
- Adapt an activity so that it is appropriate to your child's age and stage of development
- Find out about other good sources of ideas to support speech, language & communication development
- Know what to do if you are concerned about your child's speech, language and communication development

All training is in English
Unfortunately no crèche is available

FREE training session for parents and carers

PECS Awareness for parents and professionals

Date: **Friday 9th November 2018**

Time: **10am - 3pm**

A one day course

Venue to be confirmed on booking a place

This is a practical introduction to the Picture Exchange Communication System (PECS).

This awareness day aims to enable you to help your child to use PECS with support from your Speech & Language Therapist or other professionals.

These professionals are fully trained in the implementation of PECS by Pyramid Education Consultants.

Information on the full training provided by Pyramid Education Consultants will be provided on the day. We will cover all 6 Phases of PECS.

FREE training session for parents and carers

Accredited Talking Mats Training for parents and professionals

2 half days Time: 9.30am - 1pm

Thursday 14th March 2019
and
Tuesday 23rd April 2019

Venue to be confirmed on booking a place

“**Talking Mats**” is a simple, effective approach that uses picture symbols to help children and young people express their views about topics such as school, home life, hobbies and friends. It is relevant for use with children with a wide range of needs and across a range of settings, for example in schools, nurseries and home.

Course Aims/Outline

- To introduce participants to the background and principles of Talking Mats
- To identify the skills needed to carry out a Talking Mat
- To think creatively about how to use Talking Mats in your own setting

Recommended for

- Parents/Carers, Teachers, Support Staff, SENCOs, and any other professionals who would like a framework for consulting children and young people

Course Objectives

By the end of the course you will be able to:

- Identify and explore relevant topics for a Talking Mat
- Understand and use the Talking Mats framework

All training is in English
Unfortunately no crèche is available
Page 5

FREE training session for parents and carers Lego Therapy Workshop
